# Learning & Teaching with Preschoolers

Learning and Teaching with Preschoolers provides booklets, packets and lesson plans that will enable children to acquire information and learn concepts through meaningful hands on activities. All products will give children a variety of learning experiences.

While using these products teachers will have the opportunity to observe children as they participate, explore and interact with the materials. These products will help free up time so that teachers will be able to collect meaningful anecdotal notes, work samples, and other evidence that will help show each child's skills and behaviors. In order to help meet all State Standards and Assessments tools.

Remember to give each child the joy of lifelong learning.

- \*Because of the reproducible nature of Learning and Teaching with Preschoolers resources and products all sales are final.
- \*All materials are licensed for use by only one teacher in one classroom.
- \*All products are formatted on PDF files and are print friendly.

## beginning sound sorting game

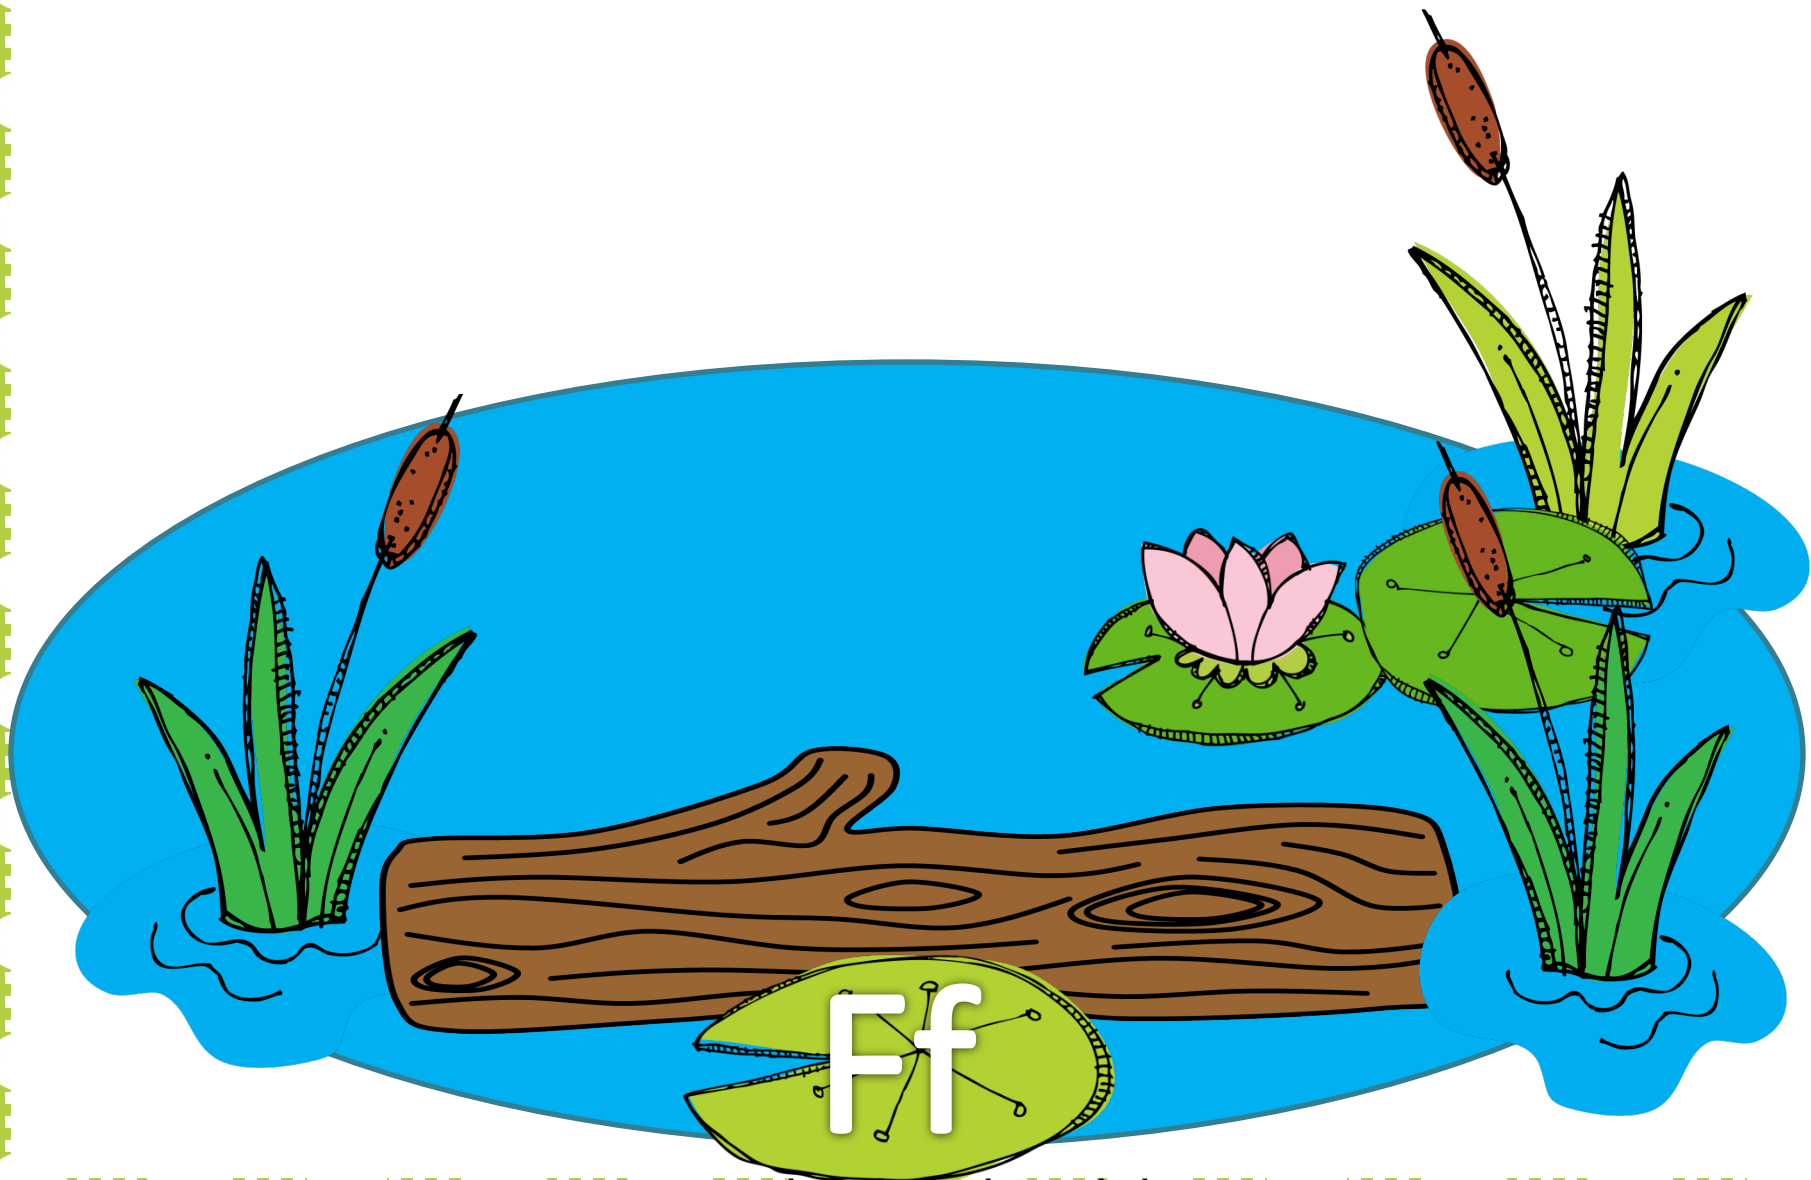

Skill: Children will learn to hear the beginning sounds in words. Ff, Ll and Pp.

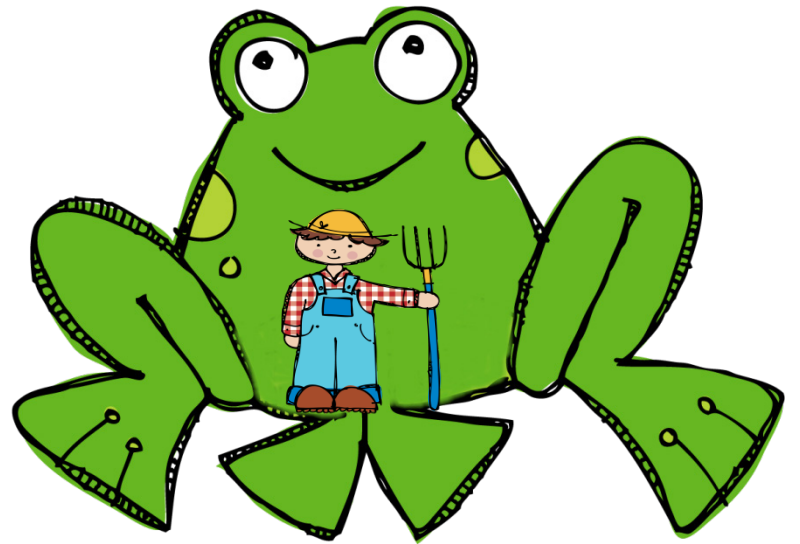

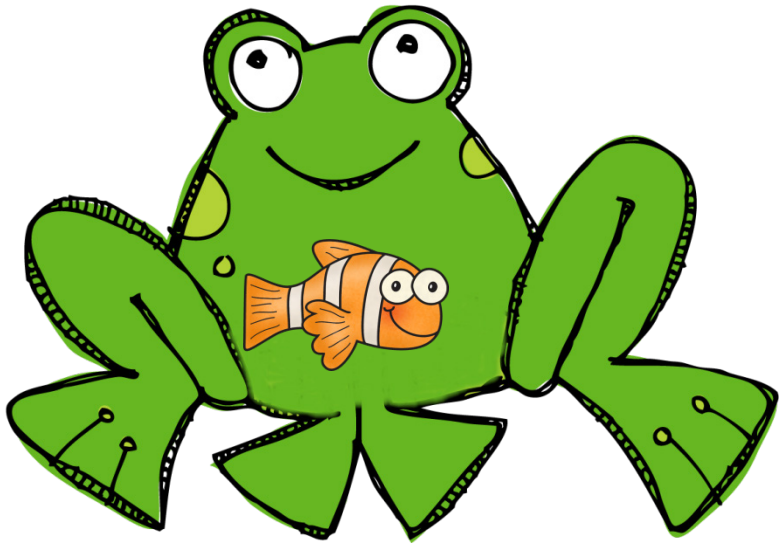

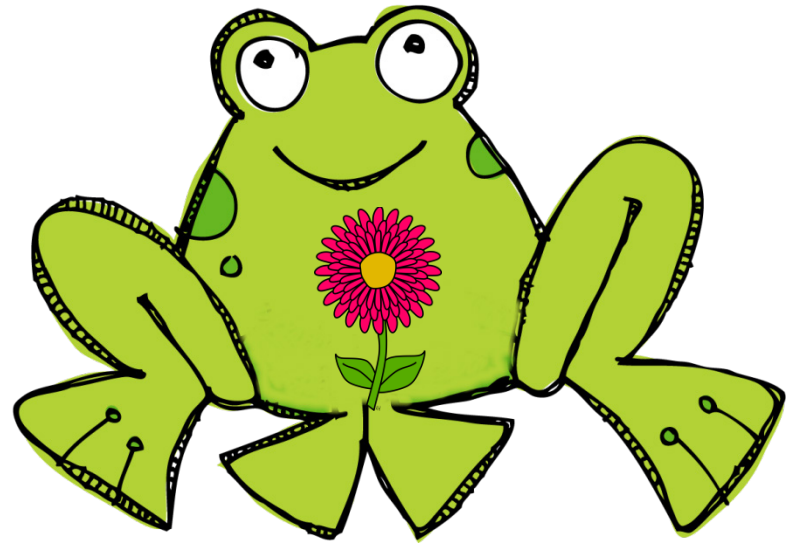

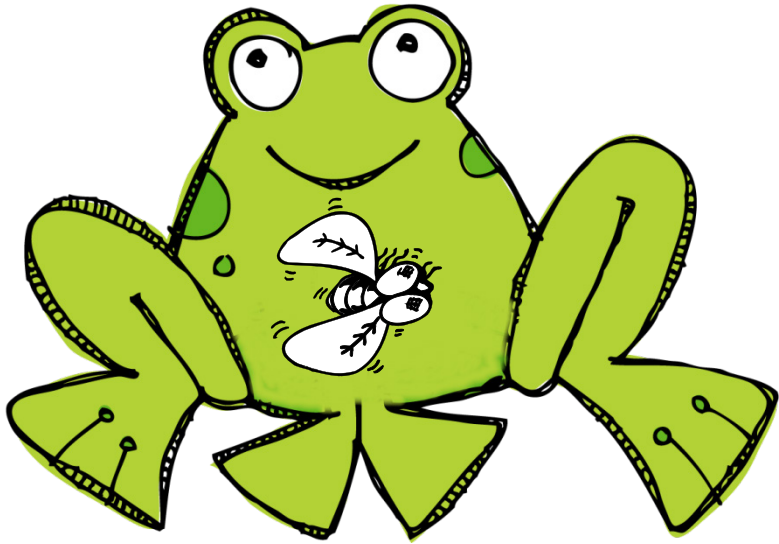

Have the children identify the beginning sound on the sorting mats. Next have them say the picture on the frog and match the beginning sound on each mat to help the frog find it's log.

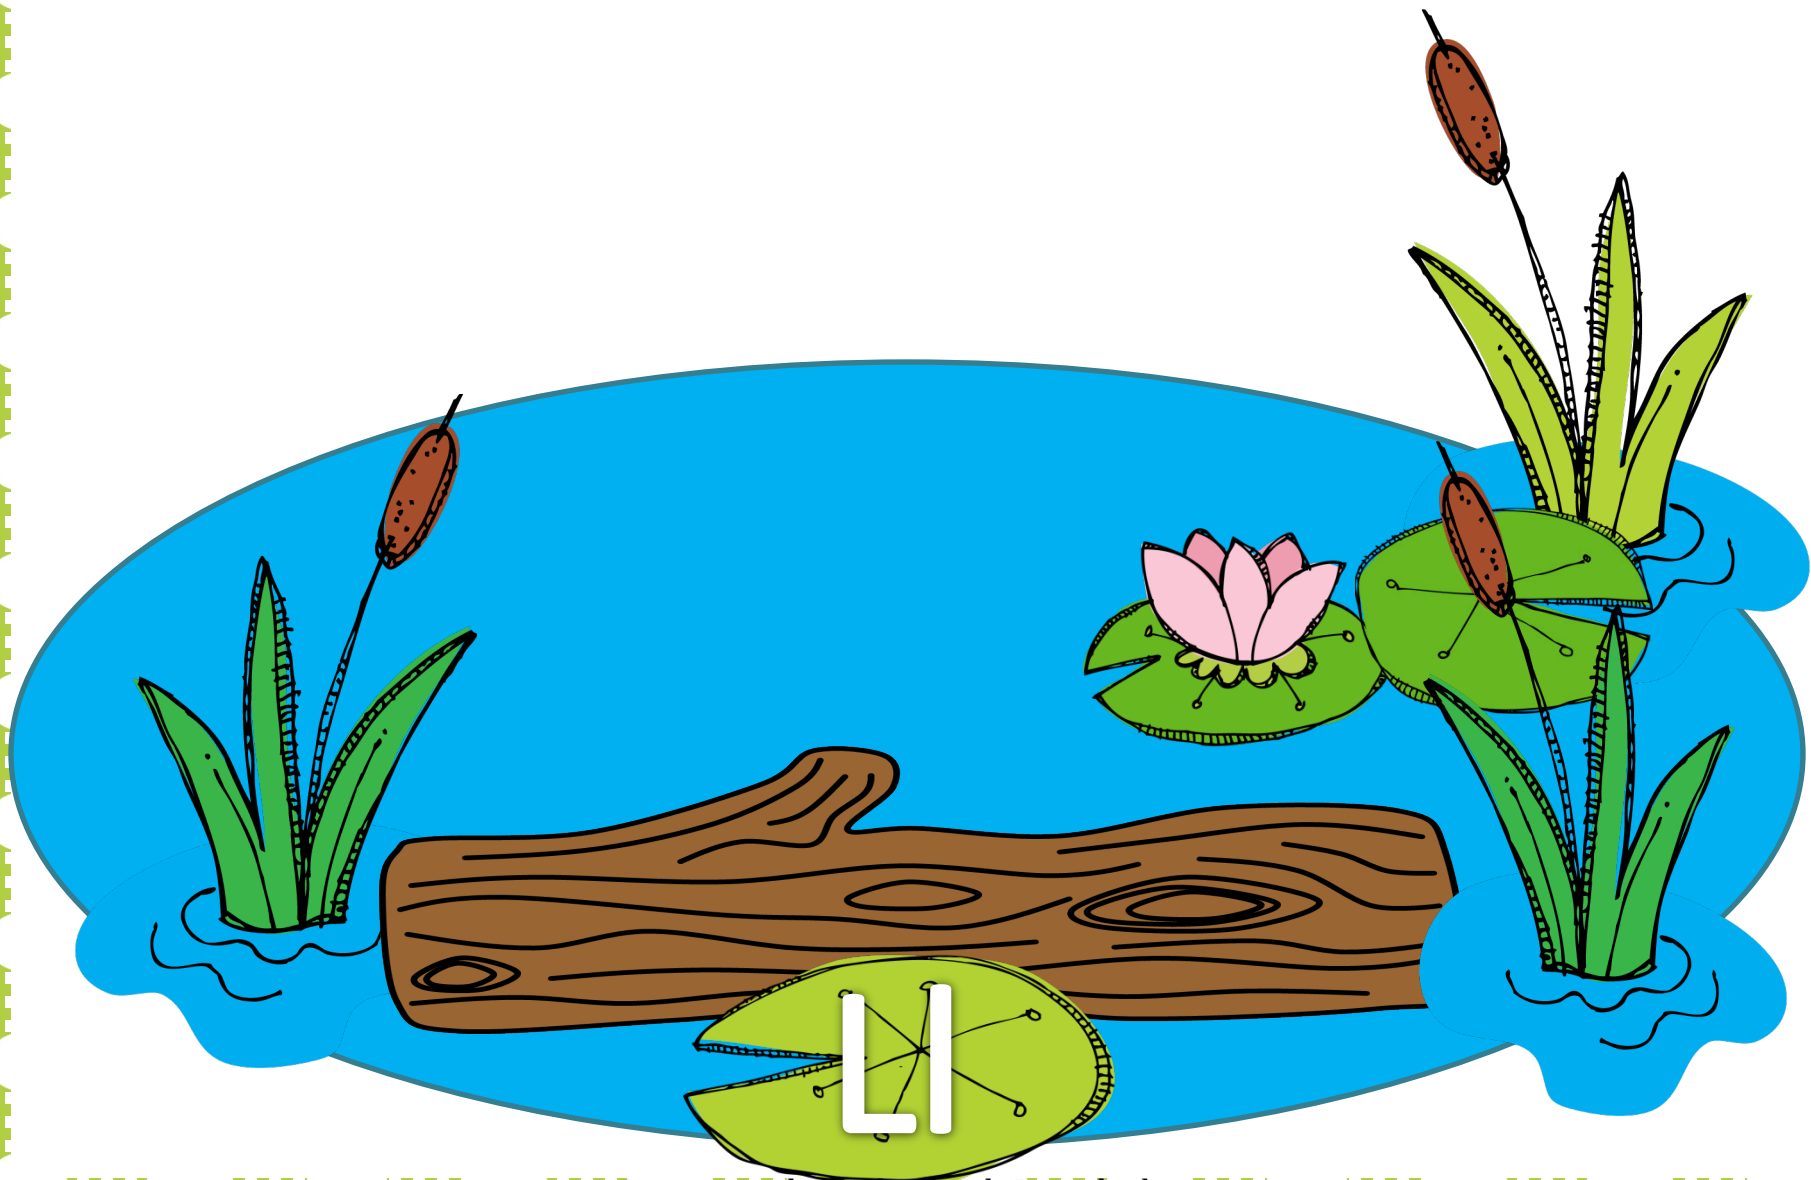

Once finished have them complete the record sheet.

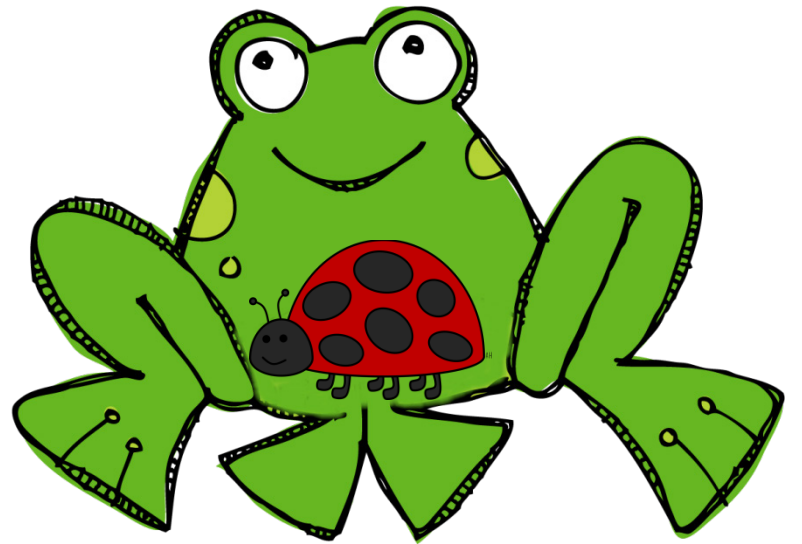

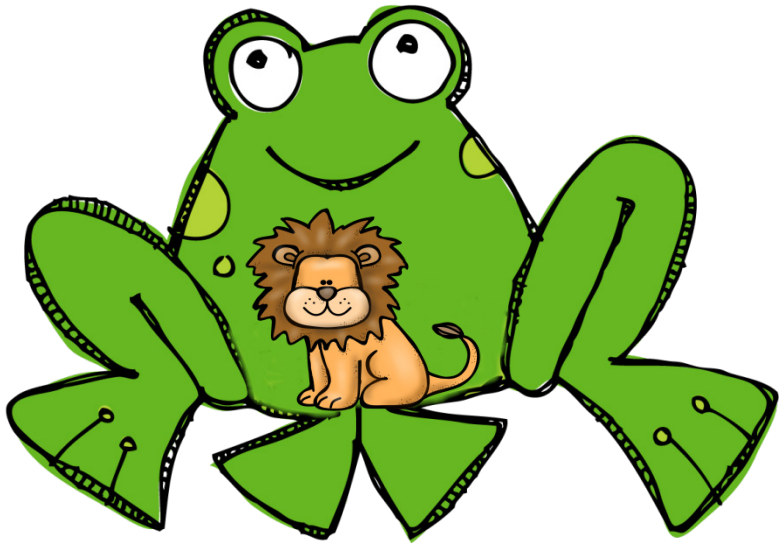

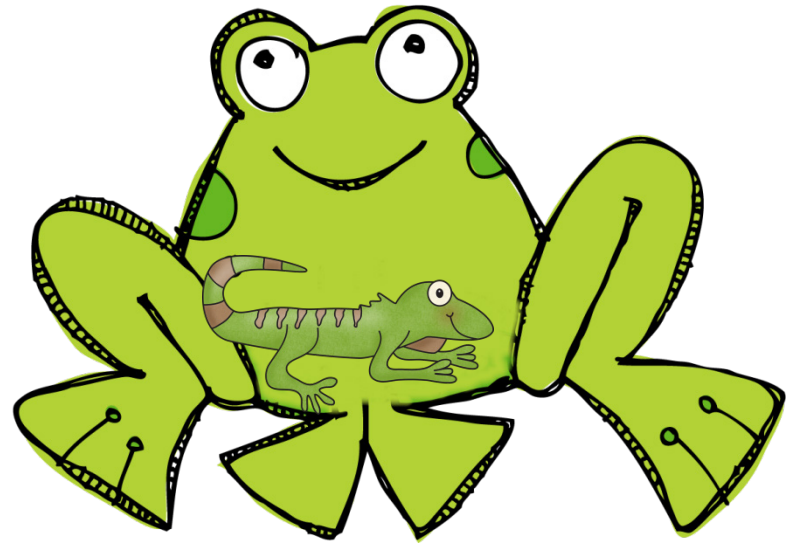

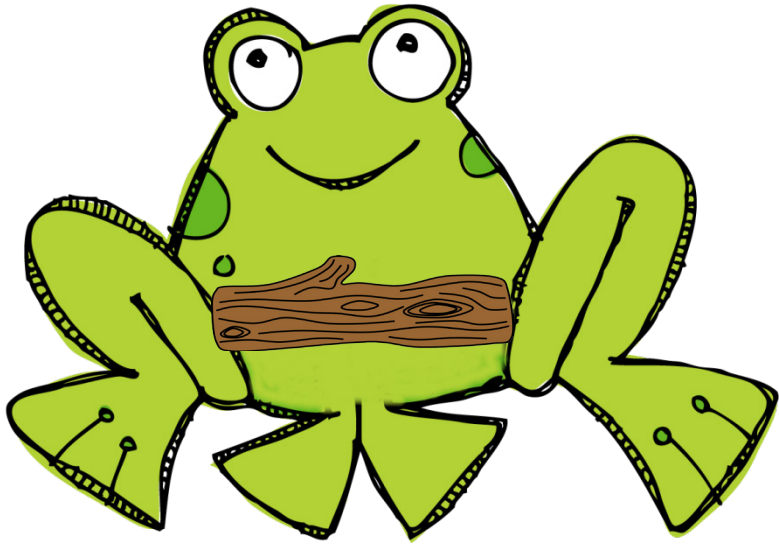

Copy mats and sorting pieces onto card stalk and laminate. Make copies of the worksheet for each student.
